

At Carteret Ob Gyn Associates we are committed to offer you quality care. On March 15, 2021, NC Medicaid will be having open enrollment for the new Managed Care Plans. You will receive a letter from Medicaid asking you to enroll in one of the plans that are offered.

At this time, our office has signed contracts with the following:

- Wellcare
- UHC-Care Complete

VERY IMPORTANT

In order to continue your care with us, you will need to choose one of the above plans. If you choose a different plan, you cannot be seen at our office.

Any questions regarding your Medicaid coverage you can log on at <https://ncmedicaidplans.gov/home> or you can call 1-833-870-5500 for assistance.
